Hello Sir, I am sorry because I couldnt be to class due to the reason that I met with an accident this morning so i am a bit mentally disturbed but i will definately be at class tommorrow.

Unfortunately I will be unable to get to class tonight. Unexpectedly I was called back home in New London and I don't get out until 6:30 tonight. I'm sorry that I could'nt contact you sooner, this just happened to be the first chance I was able too. Thank you for your time and sorry for any inconveniences, I will see you tomorrow.

I blew a radiator hose last night on the way to class and i had to get towed. Sorry i could not make it to class.

I have a tooth extraction and implant procedure at 1:30pm... Due to money constraints my family is not sure to go through with it.. So I may or may not be in class tommarow.

Here's the deal short and sweet if I go into what happened fully I'd probably have like a page. I've had a terrible week last week and today made last week look great. I went out today and on the way back I got into an accident and I just got back from the hospital like 10 minutes ago. I'm OK, but my car isn't. That's why I wasn't in class. I don't have a car for at least a week. I'll find a way to get to class tonight.

I apologize for missing class yesterday and to be perfect honest the reason is because me and my girlfriend were in an intense fight and on the verge of breaking up. I was in no condition to go to class, I was a wreck.

Just a heads up, I may be late to class on Monday. Friday night, a drunk driver hit me and totaled my car- I got rushed to the hospital... So I have no car to get to class. My girlfriend said she will drive me as soon as she gets out of work. I was just giving you a heads up that I might be a few minutes late.

I missed class because I did not look at the syllabus like you told us to. I will do better next tie to look at the syllabus and not miss class again. Will this count against me? Sorry.
