Respect for People Algorithm
Digital Triplets

Cyber A3 Problem Solving
NeuralKata
Top Lean Celebrity Avatars
Six-Sigma Add-On
TOC Add-On
Over 1000 Built-In Metrics!

VirtuLean® Rocks!

“Love it! It beats training classes with a bunch of annoying employees. Knowing is so much better than doing. My next virtual certifications will be in Warehouse Building, AI Finance, and Quantum Digital Culture.”

VPs Certified in Virtual Lean!

Over 1000 Built-In Metrics!

Relax While You Learn VirtuLean®

No more tiring gemba walks or standing in front of boring visual boards. No more having to “look interested” or think of “in-depth questions” to ask! Respect for people finally automated! Can there be too much respect?

Learning VirtuLean® is Fun and Easy!

None of the repetitive, exhausting shop or office floor work.
No more "getting hands dirty." Automated reports-outs to bosses.
Job security at last! VirtuLean® Recognized by Fortune® 2000.

DONE!

Or, wait.
